May have Jennifer Emanuelson's later today, once she gets okay from her supervisors, and am waiting for Randy Wheeler's slides to be okay'ed by BIS. She's retired and gone and so someone else is reviewing for inclusion on the site.

These were a no: Tod Caldwell, Joanna Sellen, Kevin Whattam, Bill Chappel and Lesa Brownell.

These did not have slides, they just spoke: Tom Reilly, and R. Clif Burns.

This person did not reply to me: Rob Monjay, emailed him again.
