

Year of Transitions for the MPC&A Program

Jerry Thomas & Maia Gemmill

DOE/NNSA NA-25

Ron Rudolph – MELE Associates

Since Last We Met

- HMEM changes
- Status of ICL
- Status of ICL requests
- Case studies
- Disposition
- Other export issues

HMEM Changes

- Ron Rudolph M&O assignment ended
- Jerry Thomas & Maia Gemmill are HMEM Designated Representatives
- Ron now a subcontractor (MELE Associates) to PNNL providing technical support to Jerry & Maia
- Posting new Fed permanent position

Status of ICL

- Successful desk audit of HQ activities – thanks for LMEM contributions
- No amendments in last year, but did get S000030 extended for four more years
- Please let us know as early as possible about consignee name changes

Status of ICL Requests

- Since new ICL S000030 issued in 4/06, received over 2,100 ICL requests worth over \$1.1B.
- Combined with previous years under S000005, received over 4,300 requests worth over \$1.4B!
- Now, almost all are funds transfers
- Issues now are special circumstances and noncompliance
- Sustainability at most sites

Case Studies

- Worked
 - Glove box assurances
 - Portal booth transfers – pedigree, mark
 - Purchase indigenous attestation equipment
 - Foreign import form required for commodities that will be returned
 - Disposition letters and agreements
 - TSP
 - Sites

Case Studies (cont.)

- Didn't work
 - Contracts signed before export review completed
 - Contracts signed after export review, but increased quantities in final contract

Disposition Issues

- Divisions – wording in sustainability contracts
- Commerce ruling soon – Keep your fingers crossed

Other Export Issues

- China ICL
- MPC&A?
- Other NA-25 projects?
